Re: *United States v. Nachman Lichter*, 04 Cr. 558 (JG)

Dear Judge Gleeson,

I write on behalf of my client, defendant Nachman Lichter, to respectfully request modification of his bail conditions in two respects.

The first request, in connection with Mr. Lichter's work as a bus driver for Monsey Trails, is that he be permitted to make trips to Massachusetts and Vermont. He is able to earn considerably more compensation for such trips than for his ordinary commuter runs to Manhattan and Brooklyn.

The second request is that he be able to travel to Florida between January 30, 2006 and February 8, 2006. His children are off from school, and his wife and children will be staying in Florida with her parents. He would like to be able to be with his family. If granted permission, he will be staying at his in-laws, Mr. & Mrs. Grosz, who reside at 909 West 47th Street, Miami Beach, Florida 33140. Their telephone number is (305) 531-1047.

I have sought consent from A.U.S.A. Richard Faughnan, who has advised that the Government consents to these requests.

Very truly yours,

Jacob Lauper
